

LEELEE DISCOVERS A MAGICAL CHAIR

One warm
summer evening,
Lili and her best
friend Leo were
playing in the
backyard.
They were
laughing,
running, and
tossing their ball
high in the air!

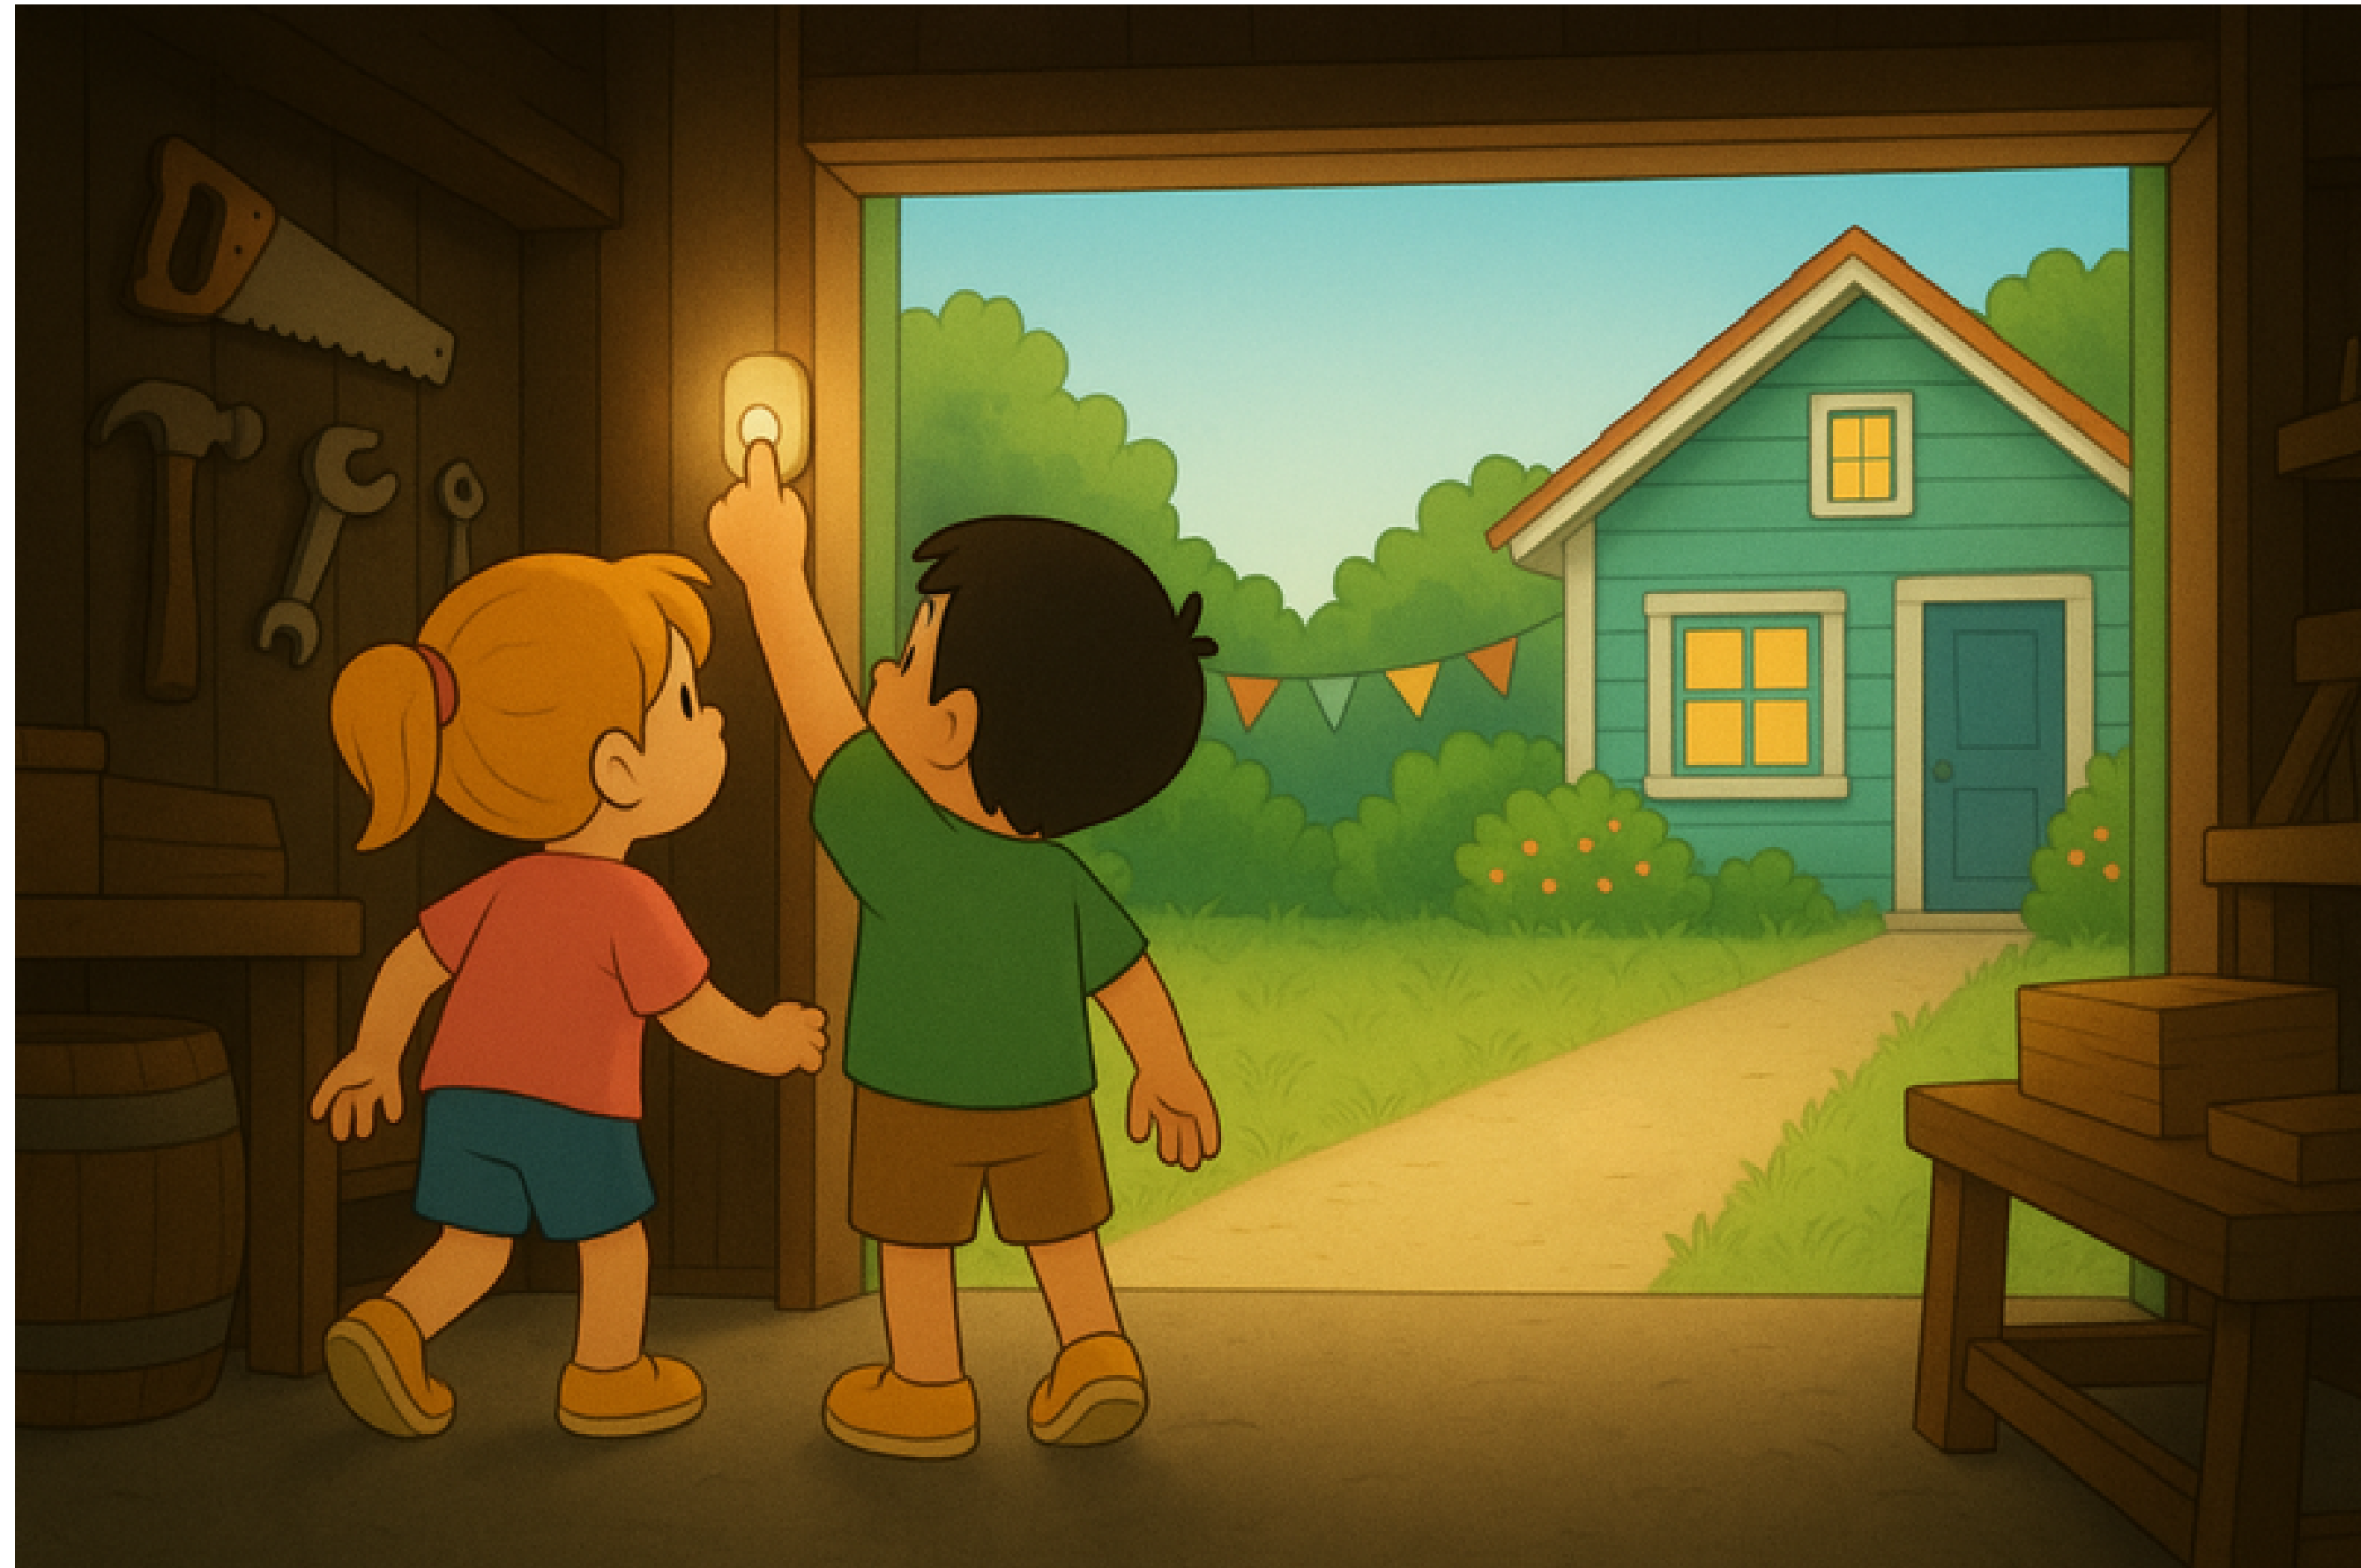

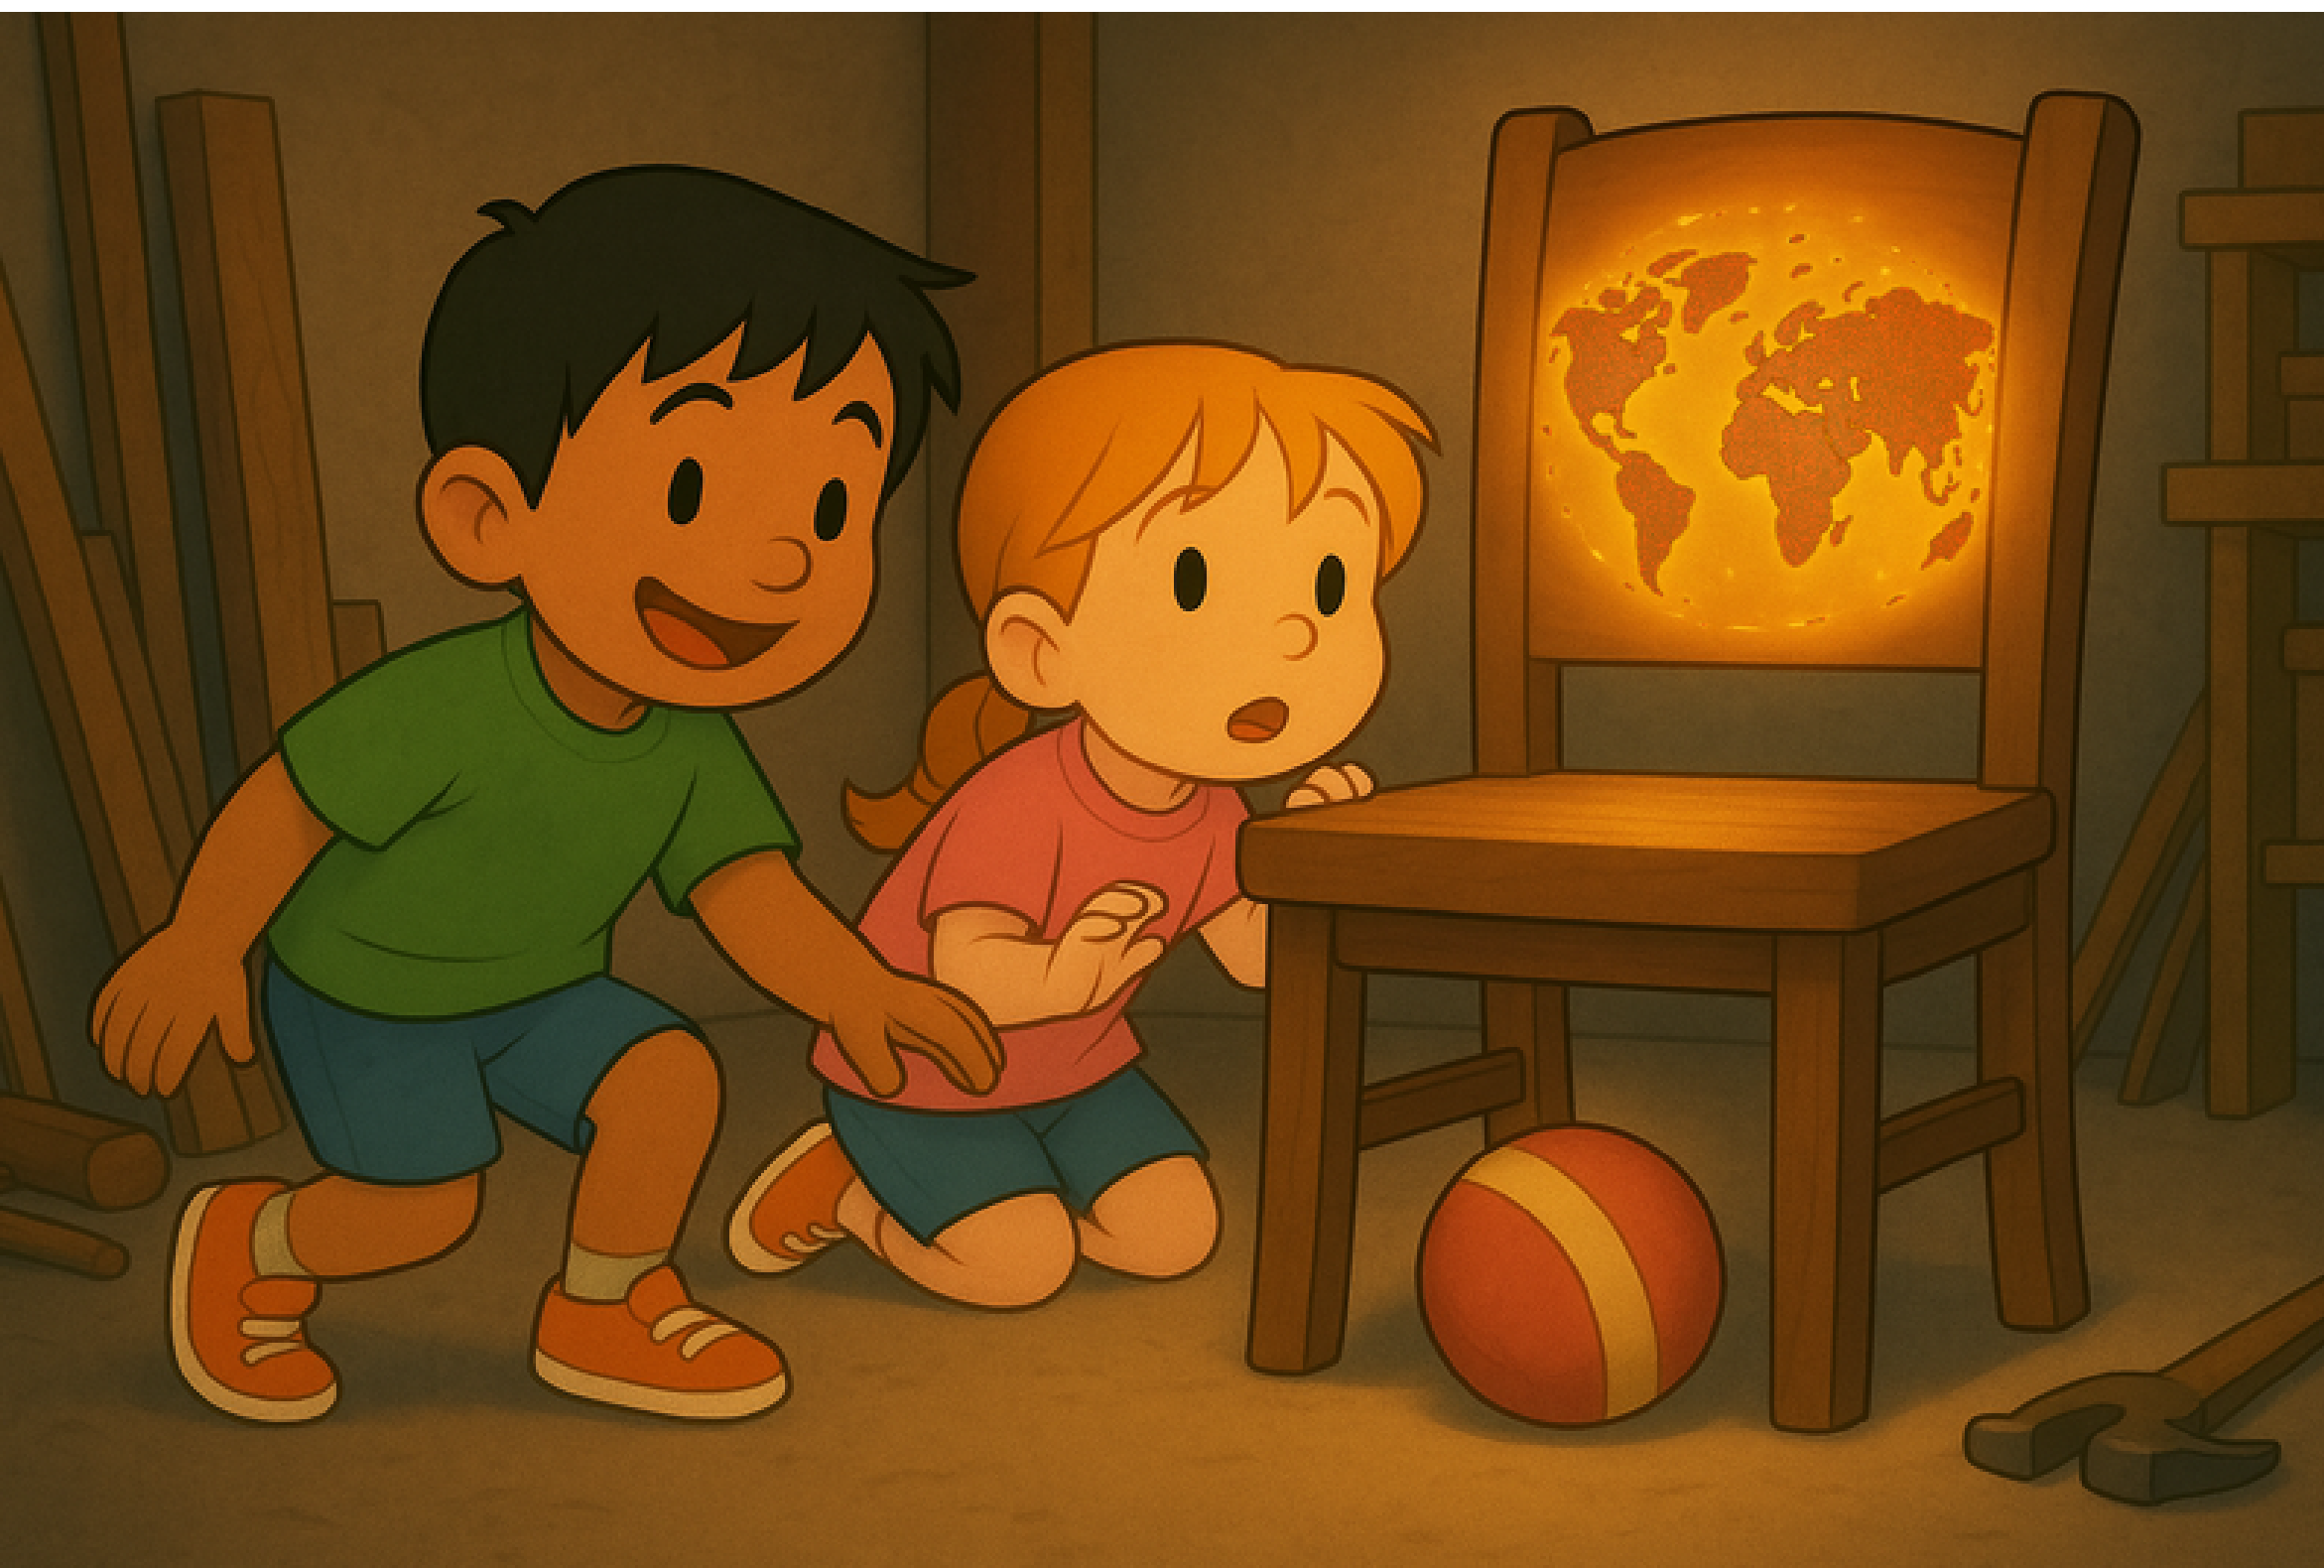

oh ohh!
The ball
rolled into
the garage!

Lili and
Leo ran
after it.

Together, they
turned on the light.
Click!

The garage was full of tools and wooden things. There it was! The ball! Right under an old wooden chair. Leo picked up the ball and ran outside. But Lili stopped.

She saw something
strange on the back of
the chair.

A drawing...

A beautiful old
drawing!

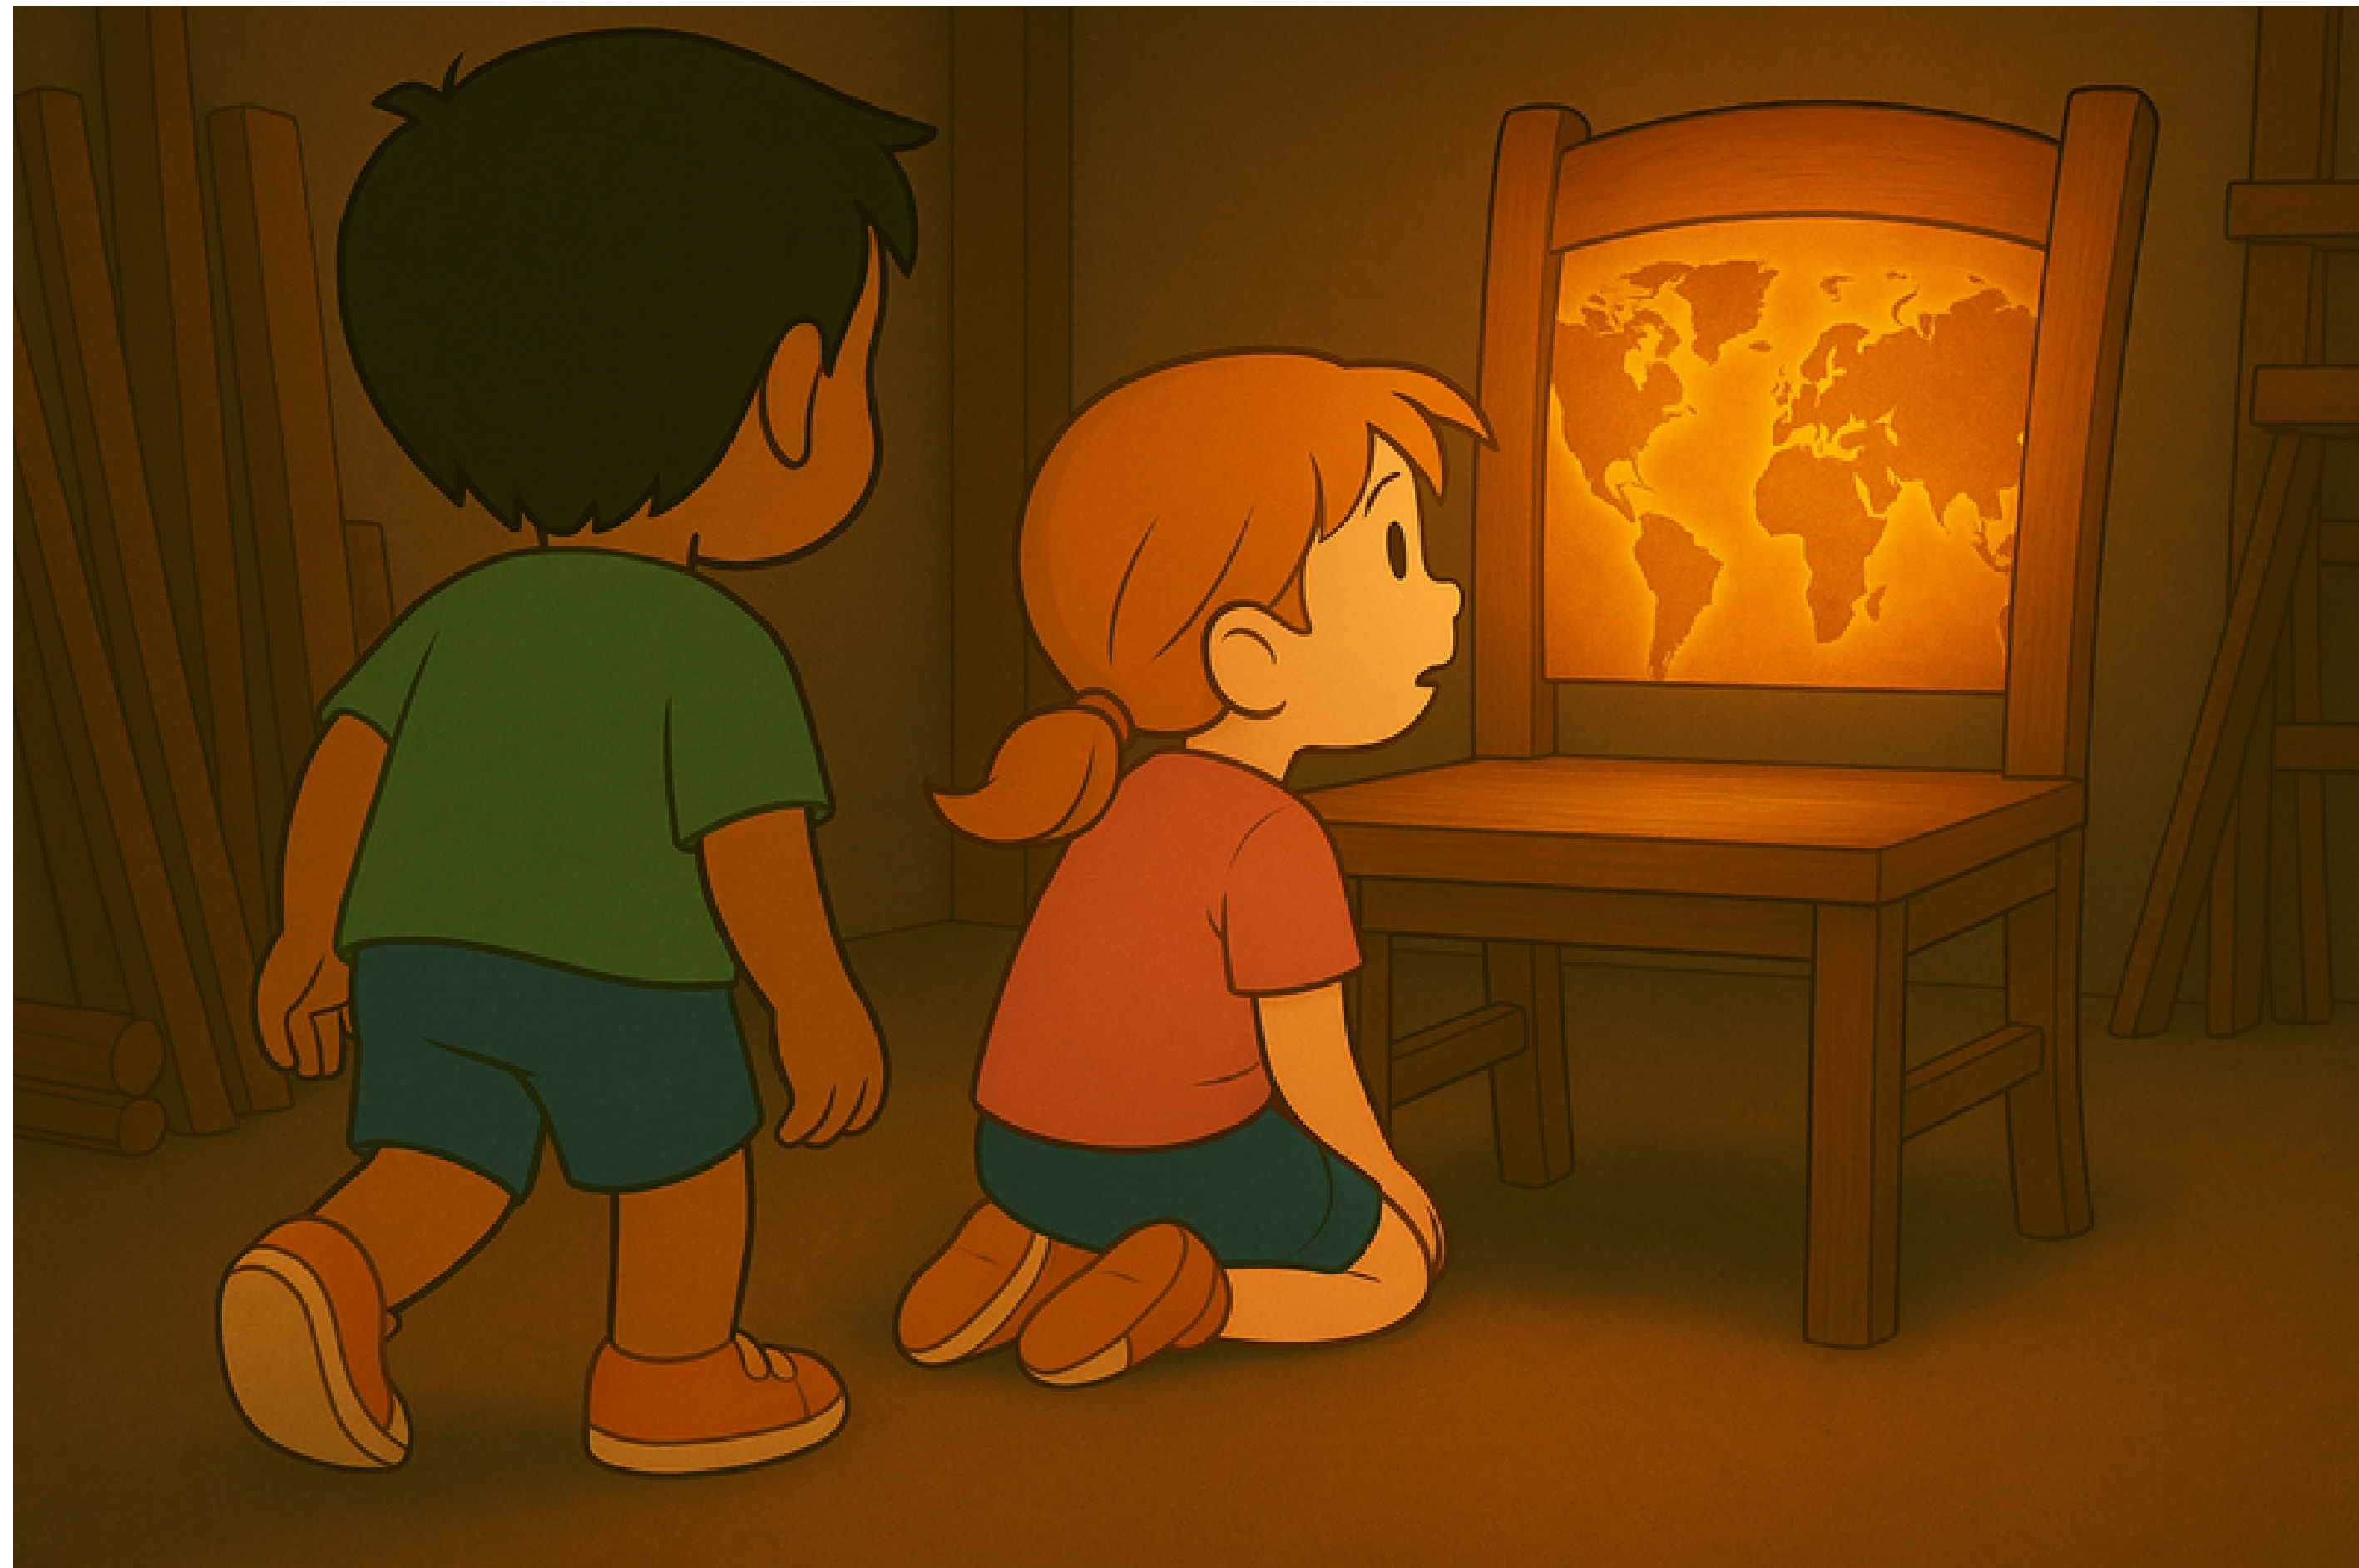

Lili leaned closer.

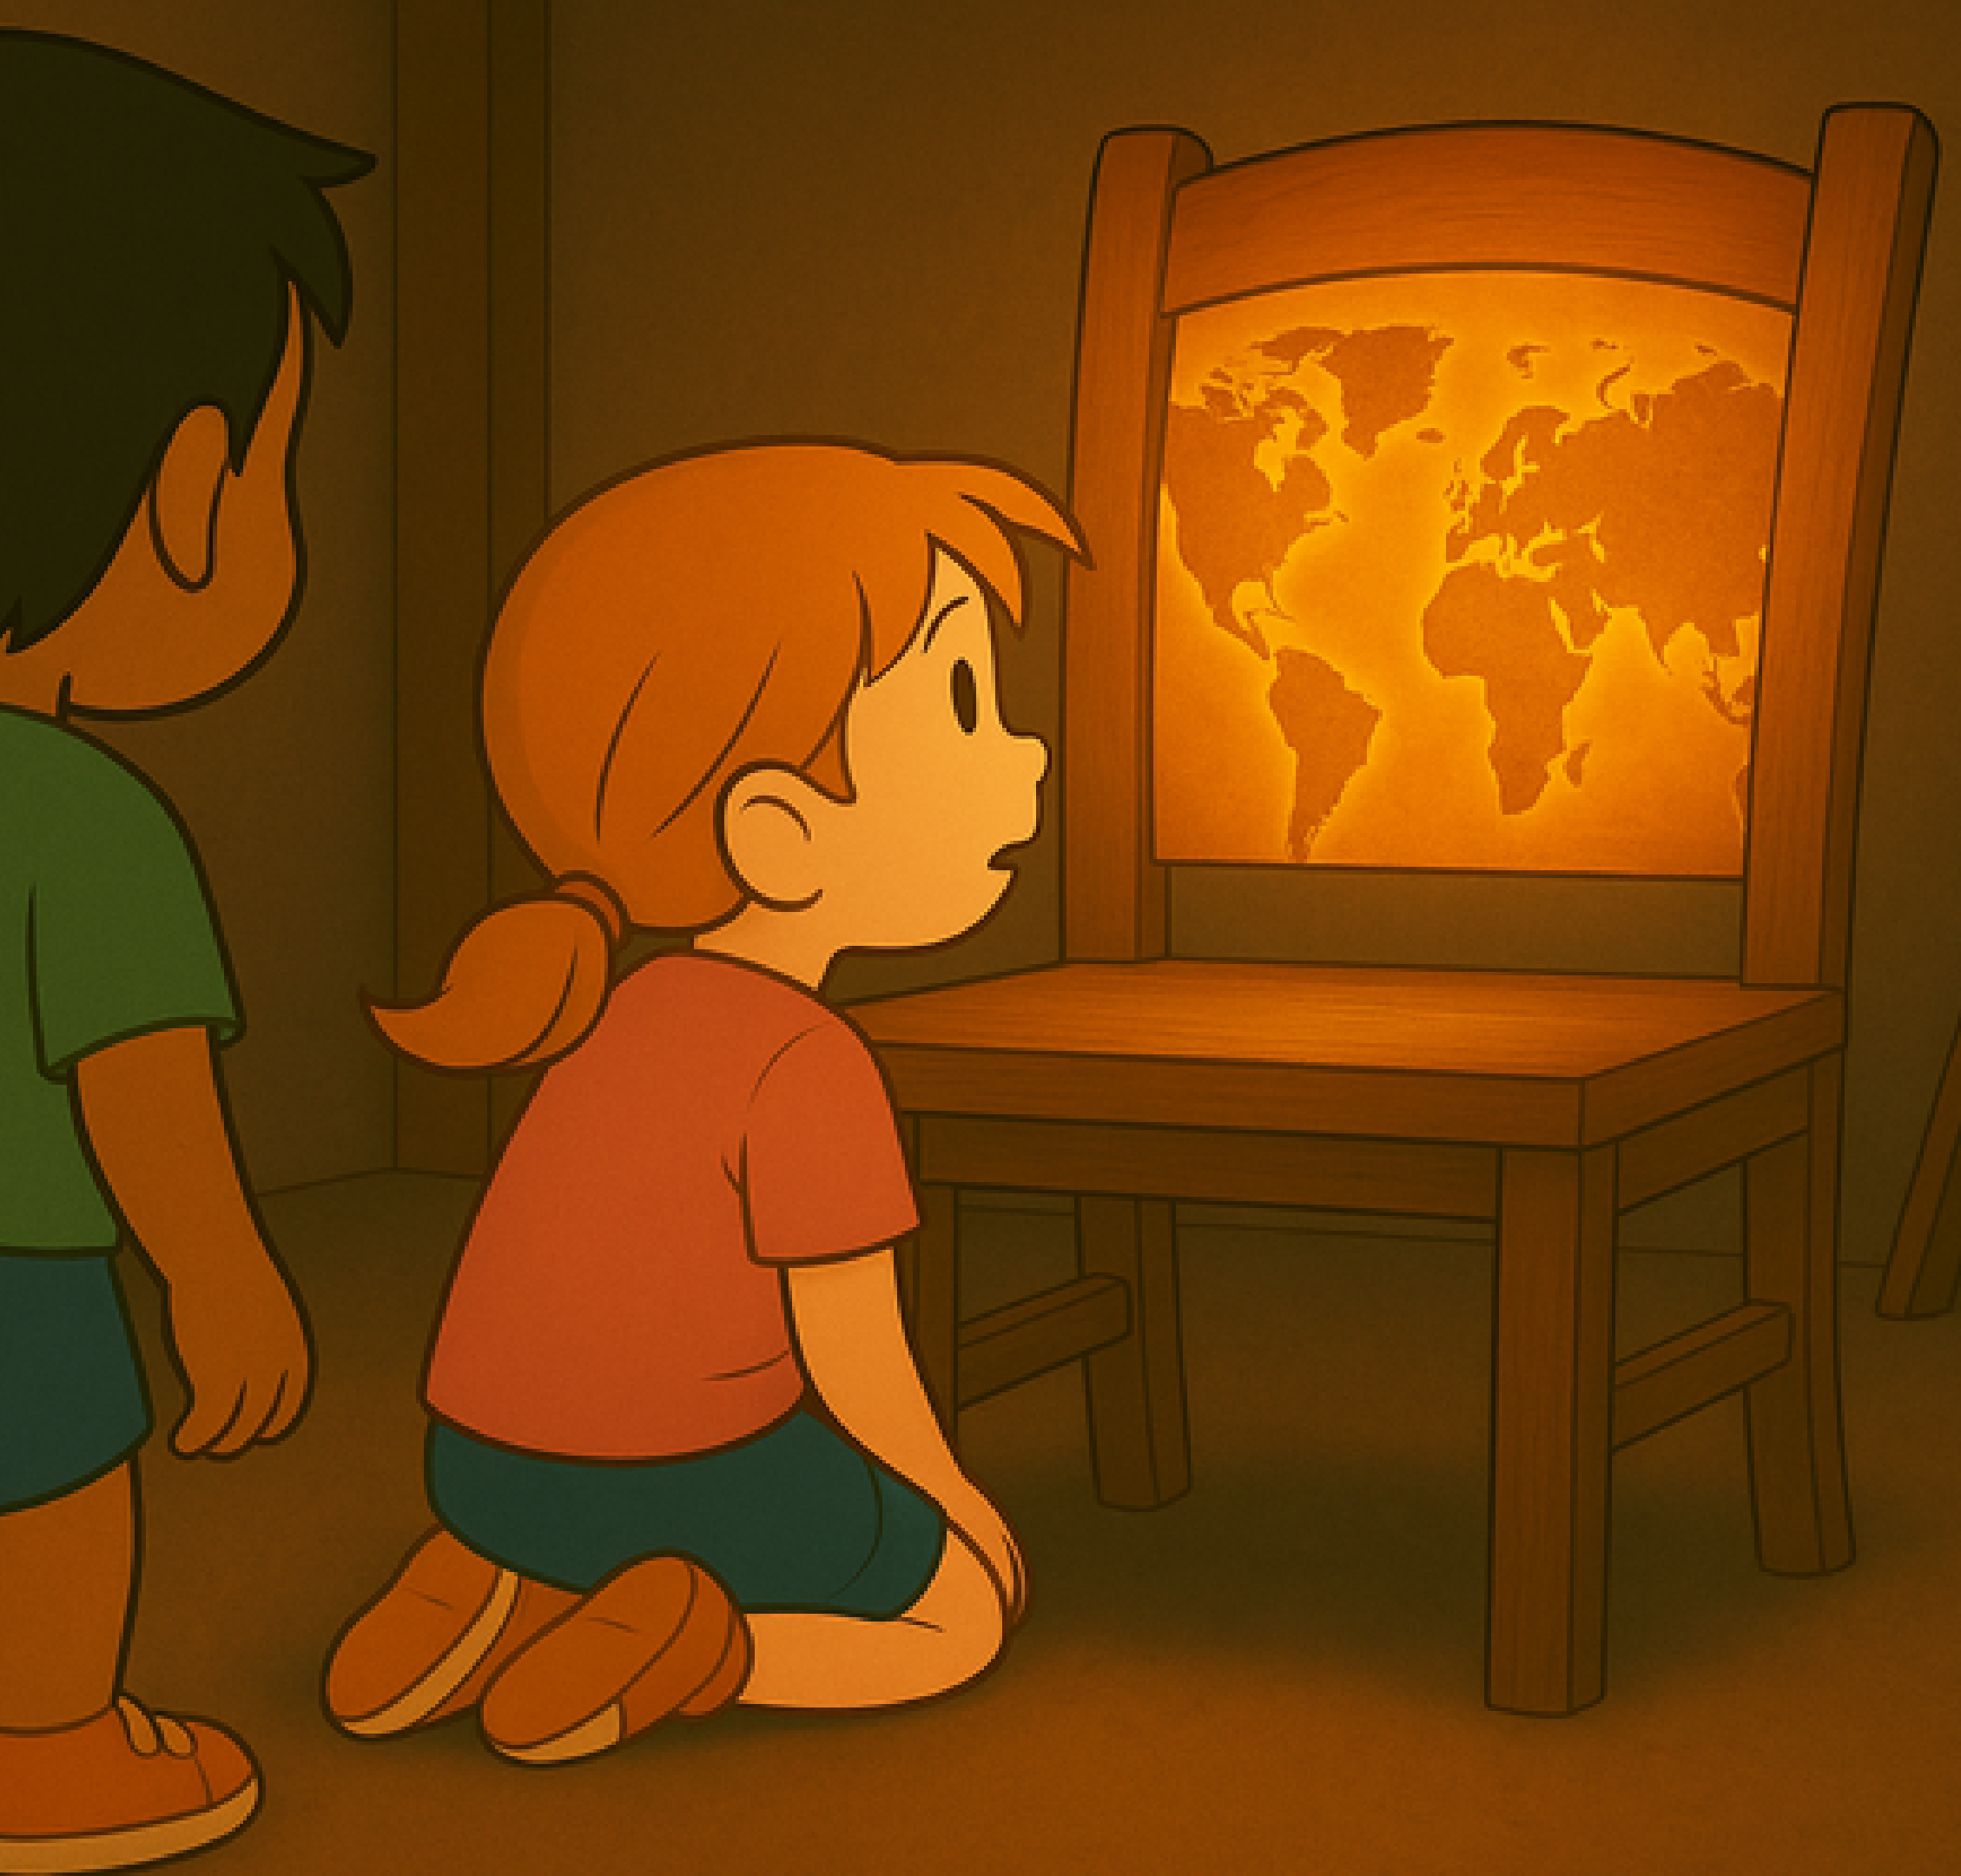

She stared at it.

“What could this be?”

She whispered.

Leo peeked
back inside.
“Lili, are you
coming?”
Lili pointed
at the chair.
“Do you
know what
this is, Leo?”

Leo looked.

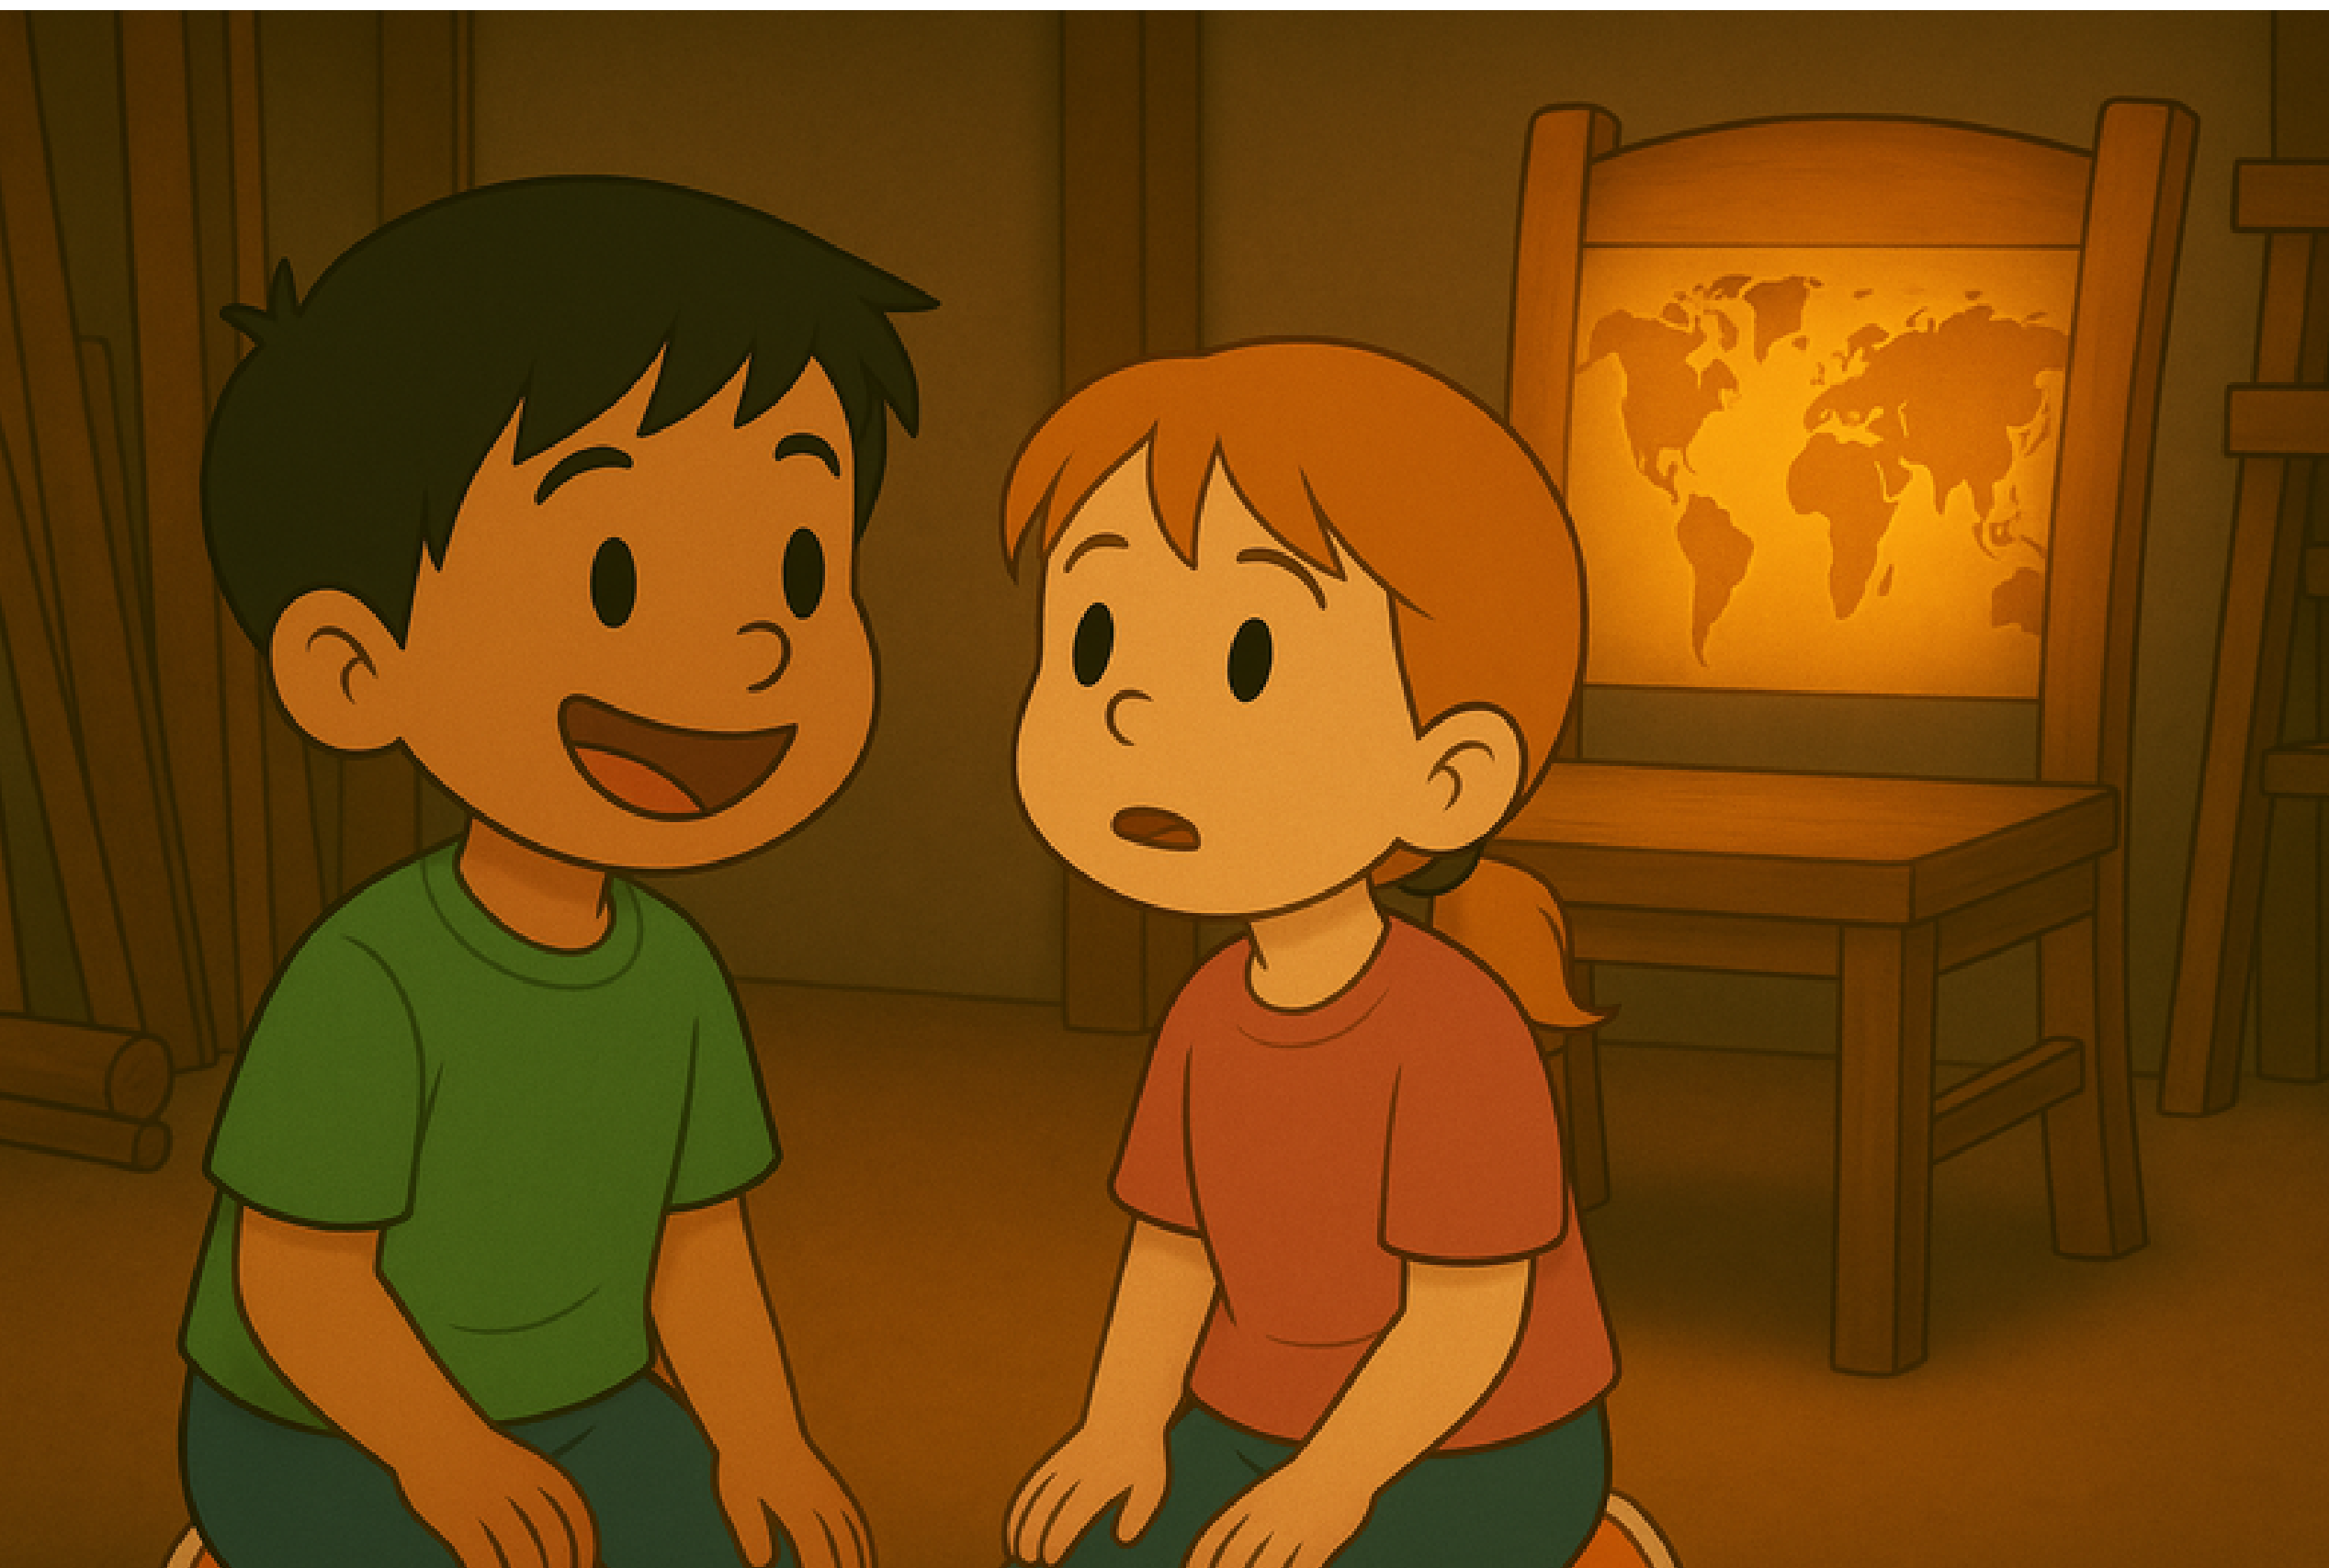

“Yeah! My dad showed me something like that. When we moved from Spain to Canada...”

"He said, 'It is a world map! These lines show countries.'"

“Lots of people are born in one country...But then move to live in another.”

Lili's eyes grew big.
“Really? Are they like us?”
“Do they talk like us?
Or are they like... aliens?”

Leo laughed.
“We speak a different
language at home,
But, I don’t think
we’re aliens!”

Lili giggled.
“How do you say
‘I’m so happy’ in
your language?”

Leo smiled.
“¡Estoy muy feliz!”
And he jumped up
high in the air!

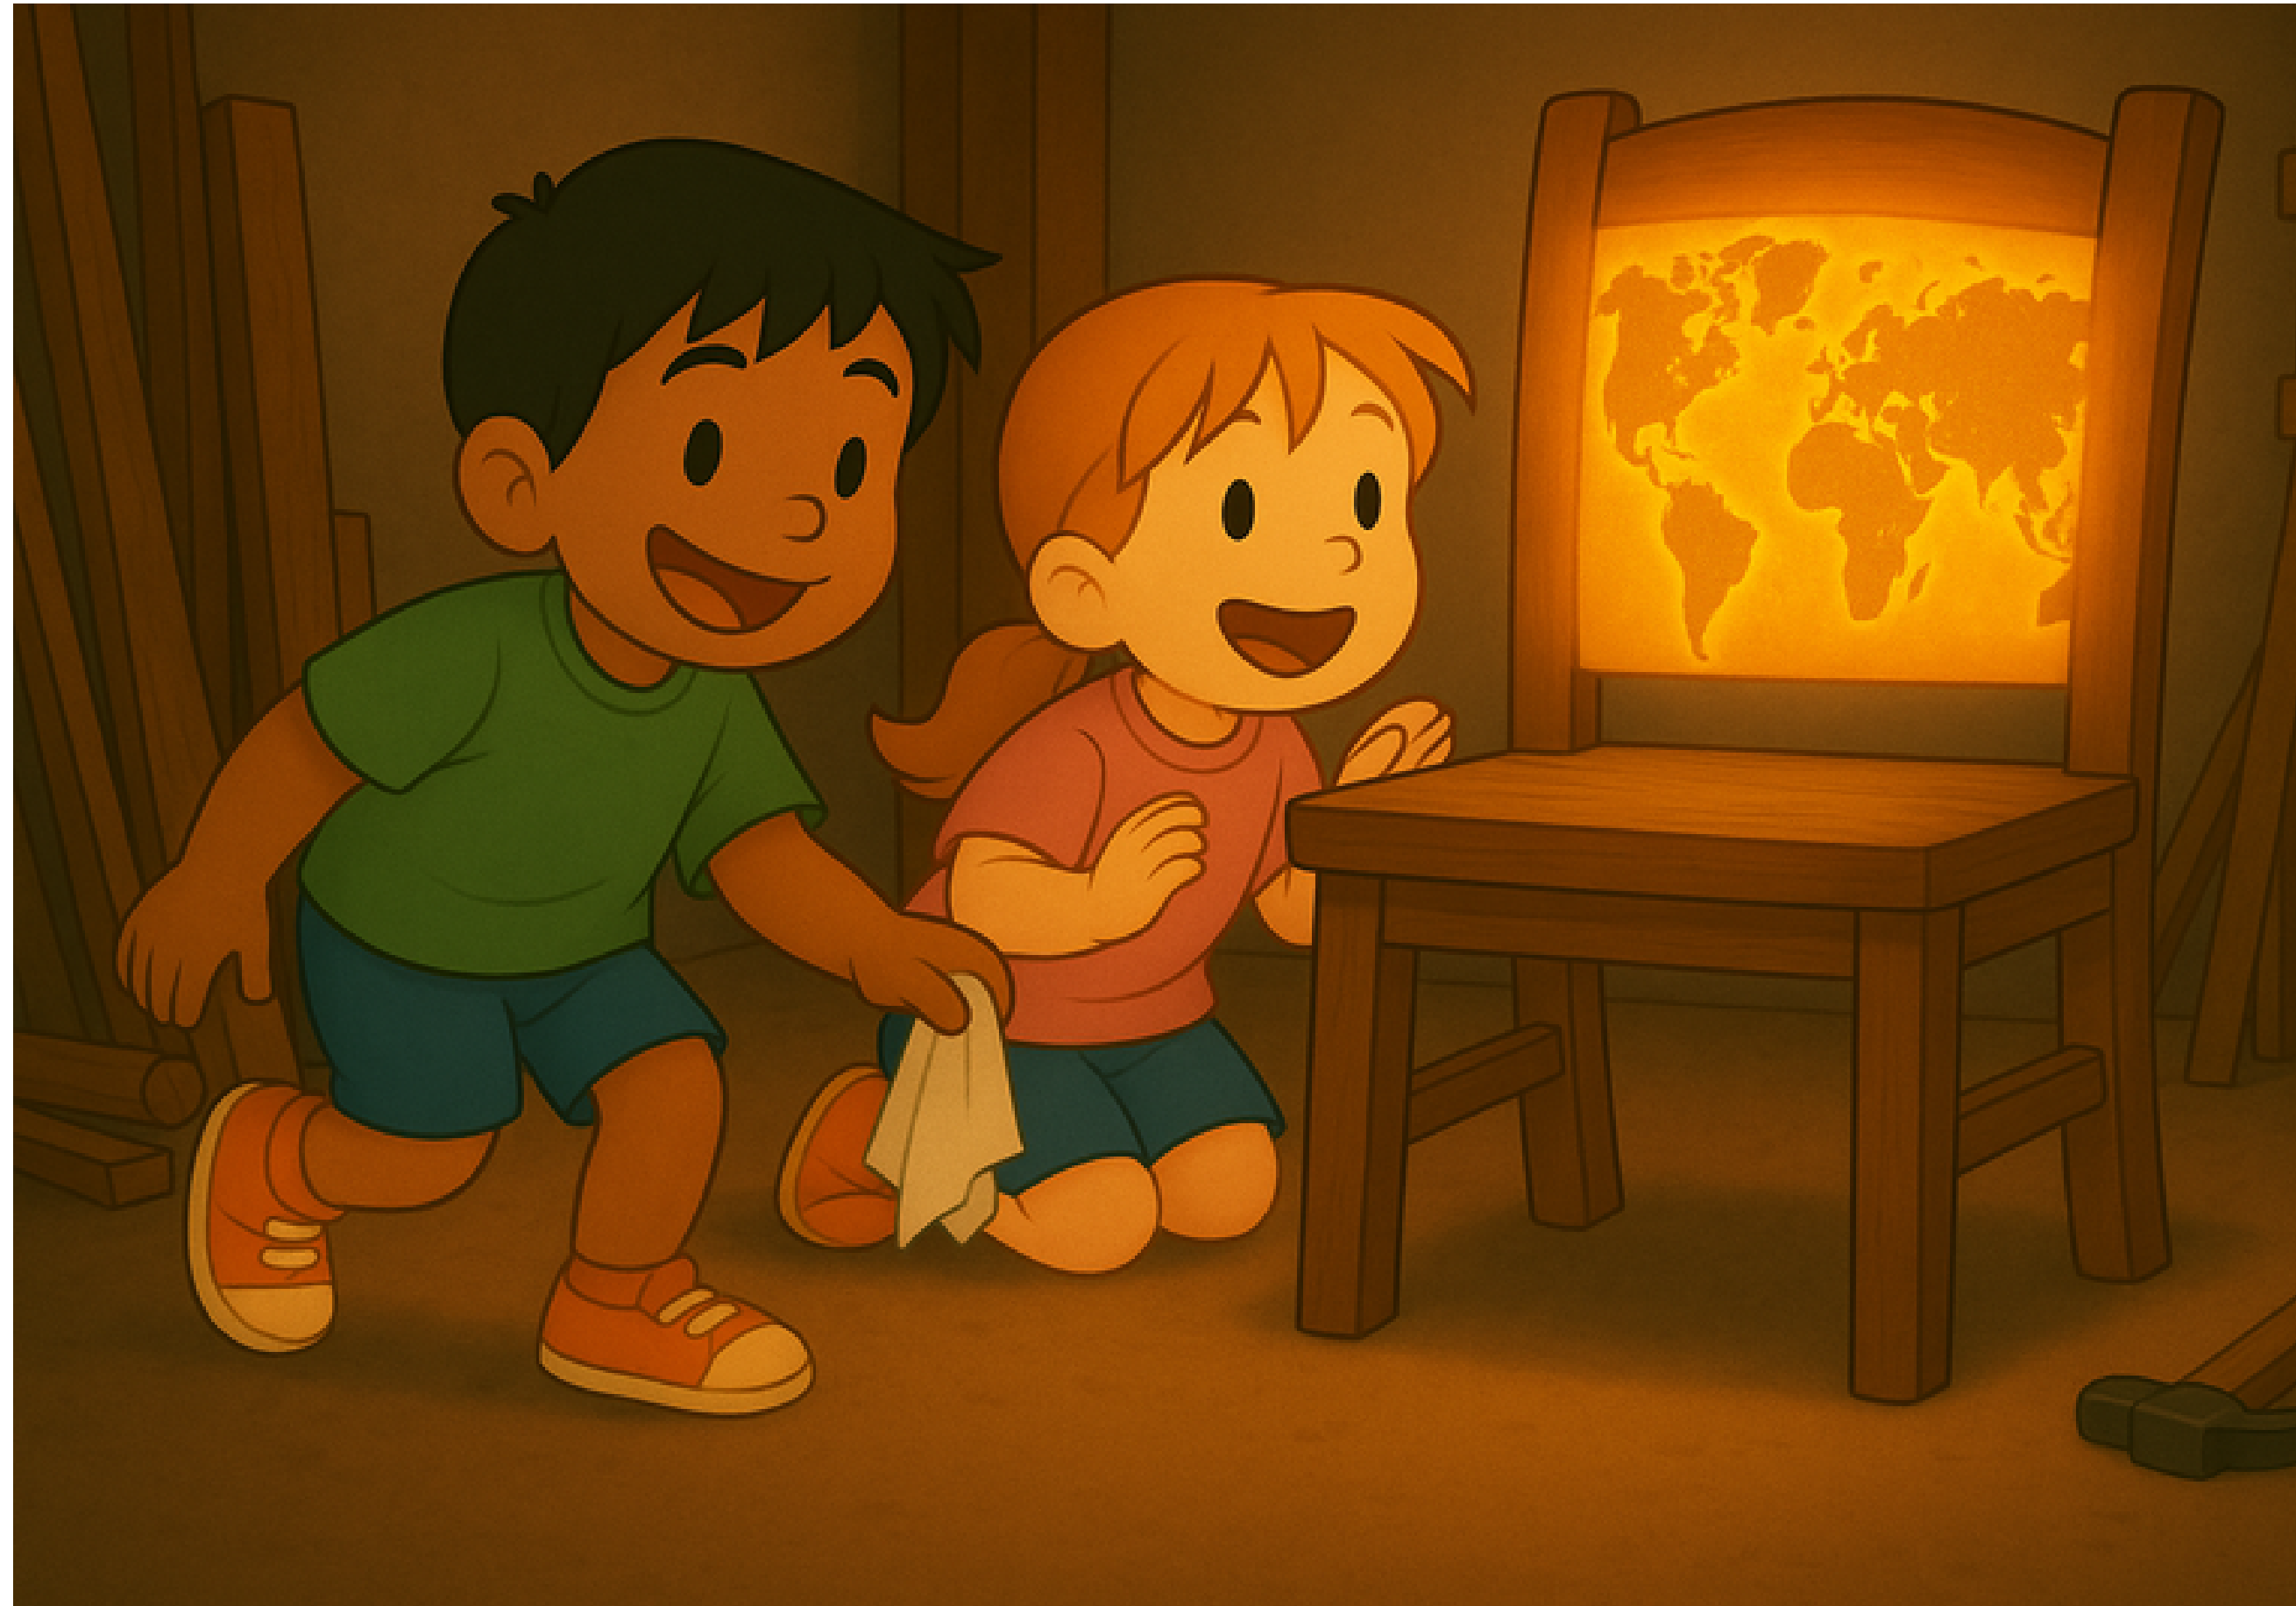

Lili tried it too!
“¡Estoy muy feliz!”
And she jumped up,
laughing!

They found an
old cloth.
Wipe, wipe
and wipe...

They cleaned the
dust off the chair.
Suddenly...
The map began
to glow with
colors!

A kind voice said slowly:
“Where do you want to
go in the world?”

Lili and Leo looked at
each other...

Their eyes sparkled with
wonder.

Yes... A new adventure,
was about to begin.
